A wide-angle photograph capturing a panoramic view of a coastal city at sunset. The scene is dominated by a dense cluster of buildings, ranging from traditional structures with intricate arched facades to modern skyscrapers. The buildings are illuminated by warm, golden light from the setting sun, which casts long shadows and creates a vibrant glow. In the foreground, a paved walkway or promenade runs along the water's edge, lined with trees and possibly some low-lying structures. The sky above is a clear, pale blue, transitioning into a soft orange and yellow near the horizon. The overall atmosphere is one of a bustling, cosmopolitan urban environment.
